

### Discussion of the Amendment

The pending claims are claims 1-16. They stand rejected under 35 USC 112 for not having a definition of "n" in the claim. The present application corrects that. The basis for the insertion of the "n" value is found throughout the application for example in paragraph 13. Applicant therefore respectfully contends no new matter was added.

Claim 2 had been cancelled. Claim 15 has also been amended to insert the missing term as recommended in the current office action. Applicant thanks Examiner Peng for the helpful suggestions.

Applicant requests reconsideration of the claim as amended and anxiously awaits an early Notice of allowance of all pending claims.

Respectfully submitted
